Dear Parents, Students and College Community,

Thank you to the parents who attended the P&F Welcome to Parents Picnic last Saturday evening. Whilst the number of families in attendance was lower than expected, the event was a great occasion where all members of each family enjoyed the music, food and activities provided. My thanks and gratitude to Mrs Belinda Colpitts and the P&F team who assisted and ensured the smooth running of the evening.

It was great to see so many parents take advantage of the Years 11 & 12 Parent, Student, Teacher Interviews on Wednesday afternoon and evening. The interviews gave parents the opportunity to discuss their child’s academic progress to date. Years 7 to 10 parents will have their interviews early in Term 2.

This week we held our Easter Assembly. The Assembly commenced with an Easter liturgy where we reflected on the last moments of Christ’s life. It was a powerful experience and presented the real meaning of Easter. The Assembly acknowledged many students, across all year groups, who have achieved highly in a variety of school activities. I congratulate all students who dedicate their time for school events.

The Easter raffle was also drawn and some very happy students collected their basket of Easter eggs. In total, over $400.00 was raised for Caritas. This is a fantastic contribution, from the students of our College, for such a worthy cause.

Finally I wish all our staff, students and their families a happy and Holy Easter. I hope that all of our College families take the opportunity to visit their Parish and participate in the Easter liturgies during Holy Week. I am sure that all staff and students will welcome the Easter break and look forward to concluding the remainder of Term One on their return to school. School recommences on Wednesday 30 March with the Term concluding on Thursday April 7.

God Bless,

Mr Leo Di Gregorio
Principal

Emmanuel Day
On Monday of week 10, the College community celebrates Emmanuel Day. The students have been busily preparing during Form classes, to ensure there is a vast array of different food and activity stalls to keep the students entertained. Acknowledgement must go to the Student Leaders who have each played an active role in guiding their Form group throughout the planning process. The House Coordinators have been auditioning students for the Annual Talent Quest, which will form an important and enjoyable part of the day.

While the day contains a number of festivities, it is important for students to realise the purpose of the day. Following the College’s core value of showing respect, compassion, and service towards others, students are asked to consider those less fortunate. Fundraising money raised from the day will be donated to Caritas Australia to assist with their projects, as well as toward the College’s Immersion Program to Warmun.

Thank you for your support.

Deputy Principal (Year 7/8 - Events)
Special Provisions for Year 12 ATAR Course Examinations 2016

School-Based Assessments
Emmanuel Catholic College provides special examination arrangements for students for school-based assessments (e.g. class tests, semester exams), upon the recommendation of an appropriate professional (e.g. psychologist, occupational therapist) and a formal history of case management aligned to the requirements of the School Curriculum and Standard Authority (SCSA) Adjustments for Disability Guidelines.

Special Provisions for Year 12 WACE Examinations
The College undertakes to ensure that Year 12 students with special educational needs are catered for in an appropriate way and in accordance with SCSA Guidelines for Special Provisions for WACE 2016 Candidates in their final examinations of the year.

Applications for Special Examination Arrangements for WACE 2016 are required to be lodged with SCSA by 17 May.

The College will assist families with this application process, though we ask that families make contact with the Head of Learning Excellence by 11 March to initiate the collection of relevant documentation and completion of the application form.

SCSA may decline applications based on lack of evidence or documentation.

Families are therefore encouraged to provide appropriate, formal documentation to support their case. If there are any further questions regarding the process, please contact Mr Vincent Bellini bellini.vincent@emmanuel.wa.edu.au or Ms Val Martin martin.val@emmanuel.wa.edu.au

A special thank you to Miss Kerry Reynolds, who was the ECC Swim Coach for the second consecutive year. She again displayed a high level of enthusiasm towards all of the morning training sessions, which our students responded to as they continued to work tirelessly in the pool. Approximately three quarters of the students swam a better time than they did at the College carnival, which just shows how hard they trained leading up the ACC Carnival. I would also like to personally thank Mr Phillip Oddie for driving the bus and assisting with the early morning swim training sessions.

There is always a strong emphasis on performing as a team, and representing the College in an exemplary way on the day itself. However, there were some exceptional individual performances throughout the carnival. The following students excelled on the day in their respective age groups.

- Larni Roberts - 1st U/13 Female
- Dustin Atmadjaja - 1st U/14 Male
- Connor Bull - 1st U/15 Male
- Ella Smith - 2nd U/17 Female
- Jacob Fitzgerald - U/17 Male
- Renee Khan - U/19 Female

I look forward to the improvement over the next year, and hopefully we can come back bigger and stronger in 2017.

A brief run down and all results can be viewed at the following website.

Mr Ryan Henley
Director of Sport
Open Water Champion Jacob Fitzgerald

After a long day of competing at the ACC Carnival last Friday, Year 10 student Jacob Fitzgerald competed in the new Port to Pub Rottnest swim last Saturday as part of a duo with his friend Kimberley Hince (who is a Year 10 student at Iona).

Congratulations to Jacob and Kimberley who won their age group category (14 – 17 years). They completed the 20km swim from Leighton Beach to Rottnest Island in 5 hours and 39 minutes. An outstanding achievement in the cold and rainy conditions.

Jacob had also taken part in the regular Rottnest Channel Swim just 3 weeks before in a team of 4 with his grandfather and family. He also went on to compete at the Senior State Surf Lifesaving Championships on Sunday.

Congratulations to Jacob on this amazing achievement and we look forward to hearing more about his achievements in the future.
Holy Week

This week the College held a Holy Week liturgy, enabling the whole community to reflect on the Lenten period and the meaning of the days of Easter.

Holy Week is a sacred time in the Catholic liturgical calendar, as we commemorate the last week of Jesus' life on this earth. The Lenten season of sacrifice and self-denial comes to an end. The greatest focus of the week is the Passion and Resurrection of Jesus.

It begins with Palm Sunday, which marks Jesus’ entry into Jerusalem, following 40 days in the desert. The central feature of the service this day, is the procession of palms. The palms are blessed and are then processed into the church.

On Holy Thursday, we reenact the Lord's Last Supper, which Jesus shared with His apostles on the night He was betrayed and arrested. At the Mass, the priest will wash the feet of twelve men, just as Jesus did.

On Good Friday, the day of the crucifixion and death of our Lord, we have the veneration of the Cross. A service is held at three o'clock in the afternoon (the hour He is believed to have died). We show honour and respect for Christ's sacrifice for our sake.

Holy Saturday there is a vigil. We keep watch for the expectant rising of Our Saviour. On Easter Sunday, we celebrate the resurrection of the Lord, Jesus Christ. We believe, according to Scripture, that Jesus came back to life, or was raised from the dead, three days after his death on the cross.

For more information on the meaning of the different days of Holy Week please see the attached link: [link]

The Have Sum Fun Face to Face Maths competition is an annual event organized by the Mathematical Association of Western Australia (MAWA). The competition which normally involves schools in WA is organized in such a way that students from various categories compete in a series of rounds against some of the best brains of their age groups. In this year’s competition our students held themselves very highly and were awarded certificates for participation.

Congratulations to all the students for representing Emmanuel Catholic College in this important event in the Mathematics Calendar. A big thank you also to Mrs Vicki Price, Mr Alvyn Moody, Mr Joni Wijaya, Mr Vincent Bellini and the parents for their wonderful support during the organisation and participation in this event. To the Mathematics staff who, encouraged all the students to get involved, I want to say thank you. You all made a difference in the organization of the teams for this year’s competition.

Dr Francis Maloba
Head of Learning Area - Maths

Last Saturday, an ECC team of six Year 7 & 8 students (Mathew Davis, Lily Robinson, Eric Babu, Aleksa Markovic, Delina Joseph and Aidan Phillips) went to Trinity College to attend the Have Sum Fun Maths Competition. We versed 36 teams. Some of the schools we competed against have been participating in this competition for many years. All teams were given a worksheet of which we had 20 minutes to complete. It was challenging but we got through it and came 18th place overall. Despite this, we had a lot of fun and had a good laugh, and everyone enjoyed the Maths Competition.

Emmanuel’s Revamped Canteen and New Summer Menu

Our new and improved Summer menu is going fantastically. Students are enjoying the new foods and variety on offer, with our burger range proving to be especially popular.

Terms 2 & 3 will see the introduction of our Winter menu with hot Milo and porridge for brekky!

Our new lunch time offerings will include Potato Bake, Peri Peri Chicken, Stuffed Spuds, Lamb Souvlaki, Green Chicken Curry, Beef Stroganoff and much, much more!!

A selection of Hearty Homemade Soups will also be available.

It is with much excitement that we can also advise the Flexischools- online ordering and Cashless card (Smart rider) are being implemented over the term break and will “hopefully” be up and running for the beginning of term 2.

In the meantime, though, students are encourage to pop in to the canteen before form to order their lunch and ensure themselves the meal they desire.

Thank you for your support and best wishes for a safe Easter and holiday break!

**P&F NEWS**

**Welcome to Families' Picnic**

Last Saturday afternoon we held our second P & F Welcome to Families’ Evening at Emmanuel. Although numbers were considerably down on last years event, those who attended thoroughly enjoyed themselves.

The weather was kind to us and the band was pumping out some great tunes. The pizzas, ice-creams and coffee were delicious, and much fun and enjoyment was had with the bubbles, balloons and photo booth on offer.

This event was supported by the schools ABC (Act, Belong, Commit) Committee.

The P&F Committee are planning to be involved with Mother’s day and Father’s Day events later in the year.

Our next meeting is on Tuesday 26 April - first day back for Term 2, @ 6.30pm in the Boardroom, with wine and nibbles provided.

Thank you for your support of your P&F and I hope to see you there.

Belinda Colpitts

The Success Guide to Assignment Writing!

Why you should start working on your assignment immediately:

**BRAIN:** Gets your brain thinking about the topic.

**RESOURCES:** Allows you to find resources you may need at the library.

**HELP:** Means you have time to ask for help if you need it.

**SAFETY NET:** Creates a safety net so you have time in case something unexpected happens.

Step 1 – Begin with a 15-minute overview.
Read the assignment information carefully (perhaps highlighting as you go) and note:

- When is the assignment due?
- What is the purpose of the assignment?
- What is the assignment asking you to do?
- What presentation format is required?
- Are there any guidelines or directions to follow?
- Are there specific references/resources given?
- Is there a marking criteria? How will the assignment be graded?

Step 2 – Brainstorm the steps that will be involved.
Think about everything you will need to do for the assignment. This will vary depending on what type of assignment it is, for example:

- Read the assignment, make points, make up a schedule.
- Check Librarian, general research.
- Review. Outline what I need to research.
- List topics/headings to research.
- Establish how to organise research.
- Last pre-research check.
- Start researching.

Step 3 – Schedule the work over the time available.

- Continue and finish off researching.
- Begin writing sections of the draft. Set yourself staggered goals to complete e.g. one third/two-thirds/complete draft. FINAL format completed.
- Immediately draw up a schedule, or add to your homework diary, so you can do all the other homework and all the other things, AS WELL as your assignment planning.
- You should add in your other commitments, so your schedule is realistic.
- You may like to leave a good amount of time between finishing your draft, and having the assignment completed for submission. This allows for the unexpected, or if you find some parts of the process take longer than you expected.
- The schedule is not fixed. You should change it when you don’t meet your planned deadline. Just make sure you don’t rush the last important stage of presentation.

Step 4 – Ensure you are clear on what to research.
Before you start researching, answer the following questions:

- What do you need to know about?
- Are there main points, concepts, words, or topics?
These should be indicated on the assignment question, as well as through your knowledge related to the topic. Write them down.

- What are other ways to describe these key words, phrases or concepts - are there SYNONYMS? This will help when you use search engines or catalogues. Add these to the list of words or phrases from the previous point.
- What do you already know? Are you confident you are correct about what you already know? Is there anything you think you should check up, and confirm?

Further tips to be continued next week.

**Learning Excellence - Learning Hub at Emmanuell**

Emmanuel Catholic College is committed to achieving positive learning outcomes for all students.

In our journey towards learning excellence, the Learning Hub at Emmanuel provides a support programme for identified students that is holistic, student-centred and cross-curricular. The Learning Hub works closely with Heads of Year, Heads of Learning Area, and Student Services to provide an academically inclusive program for students who are academically gifted through to students who have learning challenges.

The Learning Support Program encompasses academic, organisational, and communication skill development so that students are fully engaged in both school and learning. Through this program, learning support staff will provide opportunities for remediation of core skills, support for homework and assignments, and strategies for achieving personal educational goals.

The Learning Hub is currently developing Student Learner Profiles in consultation with classroom teachers, students and parents to tailor teaching to the progress and needs of our individual learners. In the Hub, we have an open door policy for teachers to request support for their students and for parents to access information about their sons/daughters learning.

Parents wishing to know more about the Learning Hub are encouraged to contact the Head of Learning Excellence or their Head of Year.
