

UNIFORM AND GENERAL GROOMING

1. Respect for Self

Any form of writing or drawing on the body or uniform will not be tolerated.

2. Uniform

At Emmanuel Catholic College students have to wear a uniform. Although uniforms are expensive to buy, they last a long time and are usually easy to look after.

- Students must wear correct school uniform.
- Students must arrive at and depart from school in full school uniform.
- The only exception is for students who have school sport training after school in which case the Physical Education uniform may be worn home.
- The blazer must be worn to and from school in Terms Two and Three. It is to be worn during Form Class and assemblies and on occasions when students are representing the College in public.
- Girls' skirts and dresses must be worn to knee length.
- Students must wear the correct school hat in Terms One and Four when in the sun.
- Students, who are out of uniform must supply a note to their Form Teacher outlining why the correct uniform is not being worn. Student Services Staff will supply students with a Uniform Exemption Slip valid for one day. Students must carry this with them all day and produce it upon request.
- Students without an appropriate reason for incorrect uniform, no note or students who make a habit of wearing their uniform incorrectly will be sent home or kept in isolation until the issue is rectified.
