

How to load funds onto your Student SmartRider

The College issues students with a personalised SmartRider card at the beginning of Year 7, or at the commencement of their Emmanuel journey. SmartRiders can have funds loaded onto them to use for payments at the Canteen, to pay for travel on the Emmanuel Private Bus and to use Transperth facilities. All funds are independent of each other and operate separately. You cannot share funds across the three balances.

	 College Canteen Using FlexiSchools, students can use their school-issued SmartRider to purchase items from the College Canteen. Families can use the App to top up payment balances.	 Transperth Visit www.transperth.wa.gov.au to learn how to use your SmartRider on Transperth facilities. Funds for Transperth can be loaded onto your SmartRider via a Transperth account, at some train stations, authorised retail sales outlets and Transperth Information Centres.	 Emmanuel Private Bus Using the Transportme™ App, students use their school-issued SmartRider to tag on and off the bus. Families can use the App to top up payment balances, and track their child's estimated bus arrival time.
