<b>HEALTH &amp; PHYSICAL EDUCATION</b>						
Students will study various sports during the year and like all sporting environments, there is always risk of injury. It is recommended that students have a mouth guard. Your orthodontist can recommend the appropriate mouth guard for your child. Some private health funds offer one free mouth guard per year and it is worth checking your fund to see if this applies to you. Otherwise, most pharmacies will offer alternative mouth guard options. AFL and AFL Academies: If your son/daughter is a member one of these Academies, a mouth guard is compulsory. Practical sessions will include contact drills and a mouth guard is required.
