

STUDENT CODE OF *Conduct*

The purpose of the Code of Conduct is to set clear expectations for all students to ensure the safety of all students and members of the College community. The Code of Conduct reflects the four core values at Emmanuel Catholic College;

We will show respect, compassion and service to others

We will strive for excellence

We will be consistent and fair

We will model Christ in our behaviour

This code describes the minimum requirements expected for all students and is not a complete list of commitment or behaviour. The College leadership through the Principal as the ultimate decision maker is vested with providing a safe level of education and care for its students.
